

ORCA LEISURE SCOTTSBORO HOT TUB - FREE INSTALLATION

PRODUCT CODE: SCOTTSBORO

PRICE £ 7999.00

DESCRIPTION

The Scottsboro is manufactured by Orca Leisure a leading Hot Tub and Spa manufacturer based in the UK. As we deal directly with the manufacturer we are able to support you fully with your investment.

This Spa uses the market leading trusted Balboa control system making it very easy to use.

The features of this Scottsboro Spa are as follows;

- Seating is 6 adults with one lounge seat and 5 regular seats, there are 130 massage jets that are adjustable in power to suit you. There are 104 x 1" jets, 18 x 3.5" jets and 8 x 5" jets.
- This model has Led lighting which reflect beautifully at night. It also boasts corner lighting on the skirt.
- There are water fountains, jets to massage the feet and even two waterfalls.
- It relies on a 32Amp electrical supply.
- It is fitted with a 3KW heater
- There are four SF9/2hp pumps and a WTC50 circulation pump.
- The filter is a single filter.
- There is an Ozonator fitted to assist with the sanitisation of the water.
- It is insulated with 18mm high density PU foam that keeps the heat in the Spa.
- The cabinet is grey in colour which is very popular for garden furniture and accessories too at the moment.
- There is an ABS bottom that protects the working parts from insects and helps make the Hot Tub energy efficient.
- Speakers are included in this model, so you can Bluetooth your music etc. to the Hot Tub.
- It comes with an insulation cover and steps as standard.
